- International oriented*
- Large hands -on experience*
- Involved in many differentiated activities*
- Project experience*
- Experience also from implementation of concepts*
- Team oriented*
- Goal minded*

***Professional Goal Essay ( 15 % ) :***

- The importance of hands-on experiences*
- Individualising her profile*
- Focus on " Advancing the status of woman worldwide": demands an international education, not entirely based on the beliefs of ONE institution or ONE country.*

***Recommendation Letters ( 15 % ) :***

*They focus not only on Louise's intellectual independence and analytical thinking, but also on:*

- Her loyalty*
- Ability to listen and communicate*
- Solves demanding exercises on her own, -independent*
- Ability to find qualified solutions to difficult problems ( mature )*
- Perform in a professional way ( ref. her age )*
- Well prepared and goal oriented*

Among Louise Ellekilde's achievements, the following can be high-lighted:

- Outstanding grades
- Spare-time jobs with big responsibilities taken along with her studies. These jobs are related to her business education, but focus also on co-operation with other students and teachers and building bridges between the students and the private sector.
- Tutor at Copenhagen Business school, working for Professor Troels Troelsen, a position only 3-5 students out of 550 can achieve per year.
- Develop the "Day of the trades" for the Assurance/Accounting sector in Copenhagen, Denmark.
- Teamleader, Alm. Brand Insurance

Based on the above presented summary, the judging committee chooses

**Louise Ellekilde**

As the winner of the Jane M. Klausman scholarship for District 13 and recommends her strongly for the international Jane M. Klausman competition.

Sincerely

On behalf of the judging committee

María José Landeira Østergård  
Governor D13, 2002-2004
