

## **Rose Day is March 8**

March 8, 2009 is International Women's Day, when women all over the world come together to celebrate the achievements and triumphs of the women all over the world.

In 1999 Past International President, Val Sarah, had the idea to link Zonta's symbol of friendship, the yellow rose, to the celebration of International Women's Day.

How will your club celebrate Zonta Rose Day?

There are many ways to mark the day. The clubs in District 13 are doing this in many different ways. All doing their best to mark the day.

You can also go to [www.zonta.org/rose](http://www.zonta.org/rose) and get ideas for your celebration.

Please inform your District on how your club celebrated, - and to all of you:

A Happy Rose Day March 8 !
