

Kari Vieth
District Governor 2008 - 2010

Greetings from the Governor

I am very proud to have been installed as your Governor at the convention in Rotterdam. District 13 has a long history of proven leadership and I hope to continue that legacy over the next two years.

I look forward to work together with you all as members of Zonta to advance the status of women worldwide. I hope that we together can touch lives and touch hearts and thereby have a meaning.

To be a zontian is an adventure, with risks and satisfactions and goals to achieve with patience and inflexible determination.

It is important to communicate and connect all our activities in a clear vision. We have to promote communication for a dynamic, modern identity.

We must care for, nurture and strengthen our membership in Zonta to keep it healthy and strong through retention of existing members and recruitment of new members.

As an international organization we can make a difference by contributing to international projects addressing global women's issues. We can focus on our scholarships for women under education and our local projects within 4 areas.

District 13
Area 1 Denmark
Area 2 Lithuania
Area 3 Iceland
Area 4 Norway
