

Christmas 2010

Dear Zontians

In November you all got a report from ZI Foundation about the latest update on ZI projects. The projects funded by the Foundation are producing real results and positive changes in the lives of the woman we serve and the communities we reach.

It is so important that you check the website FA Foundation on zonta.org for updated news on projects as we get information.

I just got the latest news from Zonta International Foundation.

The District Contribution Status report as of 30 Nov 2010 from our District 13 is available.

Our goal for the biennium 2010 - 2012 is US dollar 125.000

Result from our District 13 is US dollar 7.834. November 2010 represents 25% of the Biennium, and current contributions are 6% of goal.

Never the less I am delighted because I know Spring 2011 is a busy time for contributions in our District 13. I also know that many clubs have collected a lot of money around this days.

Remember: Donate 1/3 of funds raised in the club to support ZI Foundation initiatives!

Thanks to the generosity and commitment of Zontians in District 13. Just go for it!!

ZI total contributions 1.June 2010 -30 Nov 2010 are US dollar 732.089. This is 19,48% of our biennial goal of US dollar 3.758.000.

I WISH YOU ALL A VERY HAPPY CHRISTMAS AND A GOOD AND HEALTHY 2011.!

All the best from

Aud Aakre
